CORPORATE ENTREPRENEUR COMMUNITY RECEPTION

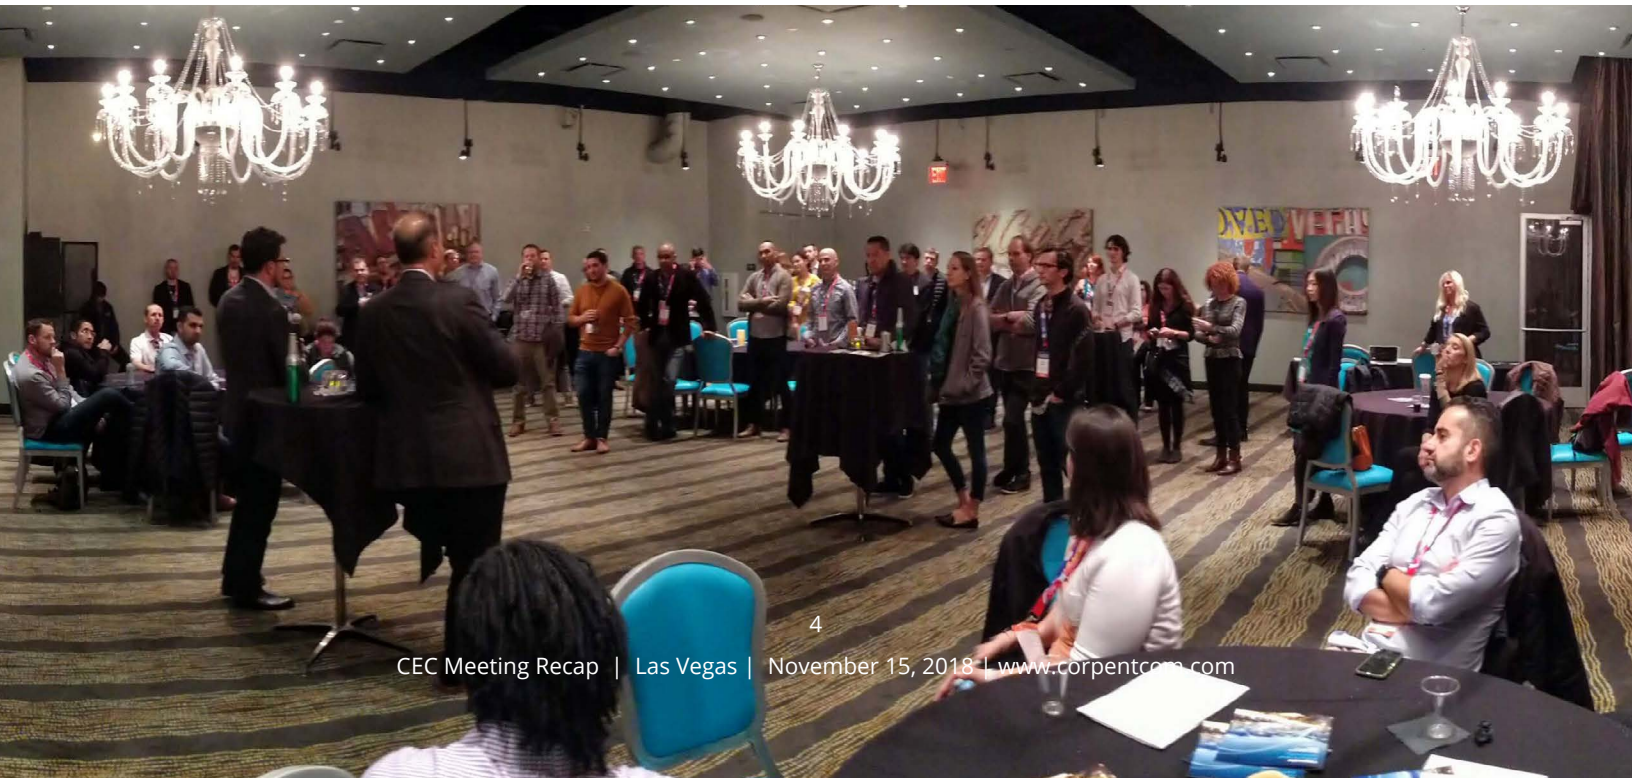

STEVE LIGUORI & ERIC RIES Co-Founders of the CEC

The Corporate Entrepreneur Community hosted a private reception at the Lean Startup Conference for corporate innovators.

Change agents from companies including Coca Cola, VW, Capitol One, Philips, Ford and many others joined Steve Liguori, Eric Ries and CEC members at this exclusive event.

Steve and Eric answered questions from the attendees about our community and about leading large scale transformation initiatives at complex companies.

The full meeting recap is available to members only.
